FOR YOUR PROTECTION

New Zealand legislation provides Accident Compensation Insurance for personal injury. We strongly recommend that all people travelling in New Zealand take out Personal Travel Insurance.

All vehicles are insured for the damage to the vehicle or to the property of a Third Party. The hirer is responsible for the first NZ\$1500 ("the excess") for Motorhomes of the cost of damage to Third Party property or to the rented vehicle, including single vehicle accident, windscreen and tyre damage, overhead and underbody damage, towing and recovery costs, theft, fire, break-in or vandalism. This also includes the cost of the daily rental for the period the vehicle is off fleet for accident repairs (demurrage).

The excess applies in respect of each claim.

The excess is applicable regardless of who is at fault and must be paid at the time the accident report is completed, not at the completion of the rental. The excess will be refunded if we are successful in recovering the cost of the damages from the Third Party.

Please see the 'Exclusions' section below, whereby all insurance cover will be made void.

EXCLUSIONS:

Insurance does not cover the following:

1. Any water related damage, which includes but is not limited to:
 - a) any vehicle submersion
 - b) creek or river crossing
 - c) driving through low plain flooded areas
 - d) beach driving
2. Personal belongings: We recommend the hirer does not leave valuables in the vehicle and that they take out personal insurance.
3. If the terms of the Rental Agreement are breached. The hirer will be responsible for the total cost of any damage. This will also include any damage caused by wilful misconduct (e.g. sitting or standing on the bonnet or roof of the vehicle) and driving under the influence of alcohol or drugs.
4. The incorrect use of fuel (fuel being diesel or petrol). The hirer will be responsible for any associated cost.
5. The cost to retrieve or recover a vehicle, which has become bogged.
6. The cost to replace keys, which have become lost, or retrieval of keys, which have been locked in a vehicle.

VEHICLE SECURITY DEPOSIT

On pick up of the vehicle, a Vehicle Security Deposit is payable.

A Security Deposit is required of NZ\$1500, and is payable by cash, Traveller's Cheques, or credit cards. Should the Deposit be paid by credit card, authorisation will be gained for the Security Deposit.

Due to exchange rate fluctuations there could be some variance in the amount refunded compared to the amount initially charged.

The Security Deposit is fully refundable provided the vehicle is returned on time, to the correct location, undamaged, with a clean interior and with full fuel tanks (Fuel being diesel and LPG gas).

We reserve the right to retain a NZ\$100 soiling fee if the vehicle is not returned with the interior in a clean condition. The toilet and wastewater tank (if applicable) must be emptied prior to the return of the vehicle, or an additional NZ\$100 soiling fee will be retained.

Failure to return the vehicle with full diesel and/or LPG tanks will result in refill charges. Diesel and LPG gas refill charges will be advised upon return of the vehicle.

INFRINGEMENTS

We reserve the right to charge the hirer for any speeding or parking fines, associated administration costs and/or accidents including third party property damage not reported on return of the vehicle. The administration fee per fine will be NZ\$50.
